Discover a place where wellness breathes in every corner, and modern comforts blend seamlessly with timeless tranquility. Here, every sunrise brings a **promise of serenity.**

An aerial, top-down view of a modern residential development. The complex features several multi-story buildings with distinctive, layered, white facades. A central courtyard contains a large, rectangular swimming pool with a light blue hue, surrounded by lush greenery, trees, and a paved walkway. The surrounding area is filled with various types of trees, manicured lawns, and outdoor seating areas. A road with a few cars is visible at the bottom of the frame. The overall atmosphere is one of a well-maintained, green, and modern living environment.

Discover Wellness Living

Aldar—Enriching **people's** lives

As one of the most trusted and recognised real estate lifestyle developers in the UAE, it's our duty to nurture wellness in every home. Which is why we do more than build properties. We strive to shape communities that brim with health, happiness, and wellbeing.

A new Dubai

Dubai is a vibrant city with a unique blend of modernity and tradition. Home to well-travelled locals, expats and lavish lifestyles, in recent years, the city has begun to embrace the importance of conscious, healthy living; ever searching for new ways to weave wellness into everyday life.

Welcome to the **neighbourhood**

Home to well-established, premium communities such as Villanova, Arabian Ranches & Al Barari, Dubailand is the preferred destination for those who enjoy the finer things, and seek sanctuary from the hustle and bustle of the nearby city. Centrally located along D54, it's about 30 mins from the exciting Dubai Marina, 10 mins from the vibrant Global Village, 25 mins from the buzz of Burj Khalifa/Downtown and 25 mins away from the world, thanks to the Dubai International Airport.
